To the use of a Still for ~~the~~ ^{two years & 3 months} which appears
to be the Joint-property of Samuel Carter and
Waddell Carter de^o Estate, the profits of which
is supposed to be worth Forty Gallons p^r year,
say 30 Gallons to Sam^r Carter at 6/- p^r Gal. } \$ 240⁷

Agreeable to a Reference of Prince Edwards Court dated November
Court 1807 to the Master Commissioner, I have proceeded to examine
the Bill & Answer of the above parties together with the depositions
accompanying the same, and am of Opinion that the profits of the
still in dispute might be worth, one year with another, Forty Gallons
and that the price of Brandy has been generally six shillings p^r
Gallon. I am also of Opinion that said still in dispute should be
decreed to be sold & the net proceeds divided equally between the said
Sam^r Carter & the Representatives of Waddell Carter de^o. Given under
my hand this first day of August 1808
