Death: aft 1741, Goochland Co VA

No record of marriage in ST. Peter's Parish. Speculate that Martha is Drury based on others' research in Scurggs family, but no proof other than name of sons. There was a Drury family in neighboring Parish and also in Nansemond, spelled same way, but Nansemond's records not yet discovered. By law he would have married in Bride's parish, just have to find it. Unfortunately Nansemond records destroyed in three wars. There was a Drury in Henrico as well, and it could be that they married there, but those records destroyed by Tarleton in Rev. War.

These children are listed in St. Peter's parish. there could be others is they moved and records lost or others in another parish. There is no record of death for Richard or Martha in St. Peter's parish.

Will of Drury Edward Scruggs died Sumner co Tn in 1833. Mentions three of my children Drury, Gross and Elizabeth Hobdy and a grandson Felix Nuckles 1830 Tn census Sumner co.

Drewry Scruggs 80-90 age group with a female same age group.

Pioneers of Davidson co Tn under section entitled 2,235 Free Inhabitants of Divison co, Tn in 1812 the following #116 Thomas Scrugs, #117 Warfield Scruggs, #172 Grosse Scruggs, #787 Drury Scruggs, #788 Theophilus Scurggs, #789 Langhorn Scurggs, #825 Wayfield Scruggs.

It is possible that Drury Scruggs son of Drury Scruggs and Mary is not the Drury that died in TN, as he is not mentioned in his mother's 1803 will. On other hand she may have already given him his due and since he had left for parts unknown, she didn't provide in will for him. She doesn't mention others sons John, Carter (who I assume died), Theodorick or daughter Jane.

It is also odd that only some of Drury's children moved on with him or he with them as he was fairly elderly at the time of the 1850 census. It appears he moved approximately 1820's with some children possibly preceding him. We also know that his Drury did not follow him to TN but remained in Pittsylvania Co, so I doubt that the info on this person's death is accurate, and perhaps he is another Drury, of which there were many. BUT the names fit and it is how it is given in Dunklin's Scruggs Genealogy. Langhorne did go to TN as did Gross, so perhaps he was just mentioning Drury who remained behind in VA.

moved with father to Sumner Co TN and then to Davidson Co. The question is how many more children, besides Drury, and why did Drury stay behind. Nancy Howell has census showing Drury living with another Pitts. Co family. Drury married Rhoda Whitehead, from a prominent family, but died quite young, leaving only Langhorne Scruggs as surviving child. Langhorne eventually became ward of Andrew Jackson Whitehead who educated him. By that time, his mother Rhoda was living with Dennis Simpson, who died a bachelord, although apparently fathered two children by Rhoda, whom he left 1/3 of his estate. It was at this time that A.J> Whitehead took over guardianship of Langhorne, although that guardianship changed later to a Brumfield, who may be the father of Rhoda's last child/????

Donated land for Staunton River Baptist Church, 1816, but no such Church found in area that land was given. There is one farther toward Leesville, but what happened to this land, I don't know.

Per an article written in 1966, Coleman Scruggs and wife Ann are buried behind Parker Short's hoses. Stone marker. Aticle in 1966 found in Colbert Bible. land was Irbys then colemans Scruggs the sold to Jacobs and then to Shorts. All are related.

Since I know know that the land that Coleman Scruggs lived on is near Jacobsville, which is just south of Leesville, I assume that is same land as above. See notes under Ann Lewis and the article on the Shorts and Irby's from Altavista Journal.

However, this information which was given to me by Ivy Lee Dalton, cannot be correct, as Coleman Scruggs would have only be 6 years old in 1816. Perhaps in 1846???

Birth: 1761/1762, Virginia

Death: 29 Aug 1853, Christian Co. MO

Burial: Griffen Cemetery, Christian Co MO

Occ: REv War 1779&1780/farmer

7 generations of Scruggs

Served 1779 with General Nathaniel Green. Enlisted for second time in 1780 and served with the First continental Dragoons in NC Militia. Served as a private under Capt. John Randolph of Lt. Henry Lee's Legion. Discharged at Charleston, SC. One of three Rev War soldiers known to be buried in Christian Co. MO.

Timothy claimed Bounty Land as the only heir of John Scruggs the elder. However other heirs took him to Chancery Court in Richmond VA and won their case. (See Searching for Scruggs Vol X no 2 (Fall 1991 p 60). Later, at the age of 69 and still a resident of Buckingham Co, Timothy applied for a pension for his on Rev. War service, filing on July 29, 1831.

Moved to MO in spring of 1843, first in Callaway Co. ON Apr. 15, 1843, asked that his pension be transferred from VA to MO because he was now a resident of the State of Missouri and intended to remain there, as his children were caring for him. Within a few years Timothy moved on to Campbell Township in Greene Co. In 1850 census for Greene Co, he was living with his son Timothy Jr. and family. The area where Timothy Jr. settled later became a part of Christian Co. Cabin was still standing and inhabited by descendant until 1950.

Buried overlooking James River in MO in Griffin Cemetery overlooking Griffin Mill, later Nelson Mill. Mill was owned by John and Mary Griffin. Mary is thought to be the daughter of Richard Scruggs and granddaughter of Julian Scruggs, brother of Timothy.

moved from New Kent Co to Buckingham Co just prior to his death n Cumberland where his will was dated 26 1788 in which he mentions his wife, his son Drury and grandson Finch and my other children The will is signed sealed and delived in the presence of Thomas Scruggs ,Obeduer (Obediah) Sruggs and William Anderson

From another source.. Col. William Scruggs b ca 1734, d bef 1816, Buckingham Co.? He married

> (Mary?) Hutcheson, widow of Thomas Baber. Mary? had 4 sons by Thomas
> Baber, who disappeared around 1765 after killing a man in self defense.
> The Babers were from Caroline, and I think Mary? was probably also from a Hutcheson family in Caroline, as the Babers & Hutchesons were very close there. Am sure she was a Hutcheson, Mary is a guess. By William Scruggs, Mary? had six or seven more children, among them my ancestor Martha Scruggs, who m Fleming Willis Duncan in 1787 in Buckingham.

Another child may have been Finch, who m Nancy Thomas 1792, Buckingham. Recently the will of James Scruggs whose will was probated 1799 in Buckingham Co. and who did have a son William has come to light for me, through its appearance in a Sumner Co., TN lawsuit. This James Scruggs was married to Hannah Allen. Besides William, they had sons Valentine and Allen. James was definitely the grandfather of Finch Scruggs, who m Nancy Thomas - no doubt there. And James' father was a William Scruggs.

My knowledge of the Scruggs family is based on two pieces of paper: an old letter written by Thomas Baber, grandson of Thomas Baber & Mary? Hutchison,

7 generations of Scruggs

in 1869, and a lawsuit involving the heirs of William Baber, s/o Mary? Hutchison & Thomas Baber. William, of Mecklenburg Co., VA, died ca 1833 without wife or children and his heirs were his Baber nieces & nephews, Scruggs half brothers & sisters, or their children -all named. The Thomas Baber letter says William Scruggs had a son Finch, and the lawsuit doesn't name him. Did the clerk err? Finch who m Nancy Thomas lived a long while after 1833 and should have been in that lawsuit. So there I sit - was he or wasn't he? Ever hear of these Scruggs? Thanks for writing - Sue
