Dear Sam,

Hope you and your family are all well now. Hope you all survived Hurricane Agnes without loss, too; since Oxon Hill is on high ground she missed damaging the area where I live. Work has kept me pretty busy since I got back from vacation. Work and negotiating for a new apartment...I moved into a new place at the beginning of August, and I think the change was worth it. This is a quieter development, not so much noise or traffic, nearby park area, yet it's still close to work. I still envy your living in those wide-open spaces with mountains and greenery, even though there is a little mud now and then.

Thought I'd take a few minutes to set down for you what recent results we've had at gathering material for the family history. We now have the Webb line connected to a Carter family of Henrico County, Va.
