

PICTURE OF THE PAST. These men composed the road maintenance crew who worked the county dirt roads in Callands District in 1908. Their pay was \$30 per month with board and quarters (sleeping in tents when away from home five nights a week.)

Left to right, are: Buddy Dunn, Johnny Jefferson, Ralph Adkins, William Neal Adkins (foreman), Hubbard Kendrick and Will Adkins.

The bottom picture is the road plow that was pulled by a team of six mules used to work the roads in Callands District - when the roads were maintained by the county under the supervision of the Board of Supervisors. (Photos loaned by Lloyd Martin, Callands, Va.)

Mary Frances this is the picture I told you
my mother had in her pictures.
